

HORIZONS SCHOOL HOLIDAY ACTIVITIES

Horizons holiday activities operate within CGS Care as optional extra giving opportunities in a range of learning areas, which enhance a student's cultural, creative, physical or technological intelligence. Through their participation, students discover hidden talents and build skills for life.

Children arriving before the start time of the activity need to be dropped off at the John Lingard Hall, and will then be accompanied by CGS Care educators to the area where the program will run.

At the completion of each program the children will be accompanied to the main CGS Care space, where they will remain until collected by a parent or guardian.

Childcare benefit and rebate is claimable for all bookings of primary school children.

Code Camps 'Little League' 27–28 September, Kindergarten, Year 1

Suitable for Beginners!

These camps are designed for our littlest coders who want to make the first small, but important steps to becoming creators of technology, not just consumers. Each day consists of a healthy dose of: iPad based coding, board games around coding and problem solving, a mix of online and offline activities and HEAPS of fun! Our Little League program is designed to encourage collaboration, creativity and teamwork.

Sessions run from 9:00am–3:00pm

Cost \$250

Code Camps 'Spark' 26–28 September, Year 2 and above

Suitable for Beginners and Intermediate!

This is the most popular camp where every child aged 7 and above should start their Code Camp journey regardless of their prior coding experience. Kids will walk away with their very own app playable via the Code Camp App store on iOS/Android or any web browser, a newfound love for coding and a passion for technology, an awesome Code Camp t-shirt and hat, access to a range of video tutorials so they can continue coding at home. We use our new proprietary software, Code Camp World to teach drag & drop coding which allows us to focus on the logic without getting bogged down with complex syntax. You will be amazed at what your children can create at Code Camp without any previous coding experience! They will love showing off their new app to family and friends.

Sessions run from 9:00am–3:00pm

Cost \$375

Code Camps 'Ignite' 26–28 September, Year 2 and above

Suitable for Intermediate and Advanced!

Are you ready to take your coding skills to the next level? Ignite is for those who have conquered Code Camp Spark or who already have a lot coding experience elsewhere. Build your own top-down adventure game with heaps of mini-games and fun features! Kids will walk away with their very own app playable via the Code Camp App store on iOS, Android or any web browser, an awesome Code Camp t-shirt and hat, access to a range of video tutorials so they can continue coding at home (NEW), experience with both drag & drop and some line coding (NEW). For the first time, we'll be teaching line coding at Ignite. On the last day of camp, students will experiment with pure Javascript to enhance their games!

Sessions run from 9:00am–3:00pm

Cost \$375

Code Camps 'Blast' 26–28 September, Year 2 and above

Suitable for advanced students only!

Take your coding skills to stratospheric new heights with Code Camp Blast. Our most advanced camp is designed for those who have completed our Spark & Ignite camps and are ready to take on the world of pure Javascript. Kids will walk away with their very own app playable via the Code Camp App store on iOS, Android or any web browser, an awesome Code Camp t-shirt and hat, a solid understanding of basic Javascript - the language of the web, and bragging rights about all of the above.

Sessions run from 9:00am–3:00pm

Cost \$375

Soccer 26–28 September, Year 2–Year 6

Soccer can be a great workout and lots of fun. The health benefits include increased aerobic capacity and cardiovascular health, improves muscle tone, builds strength, flexibility, endurance increases muscle and bone strength, improves health due to shifts between walking, running and sprinting, and promotes teamwork and sharing. Soccer teaches you to 'think on the run', helps to increase skills in concentration, persistence and self-discipline, builds confidence and self-esteem, and helps to reduce anxiety. The children will be building skills such as, ball-holding (receiving and shielding); basic ball-stealing (defence); and basic take-on skills (attacking).

Sessions will run 9:00am–3:00pm

Cost \$125 per day

Creative Writing 28–29 September, Year 5 and above

The children will have the opportunity to work together to write a children's book over the two days. On Thursday, the children will learn to plan and write strong fiction, getting to grips with literary devices and finding their own voice as a writer. On Friday, this learning will be applied as the children work together to write and illustrate a children's book.

Sessions will run 9:00am–3:00pm

Cost \$250

Tennis 3–5 October, Preschool and above

Tennis coaching improve your skills, have fun, meet new friends and learn a game you will keep for life. Delivered by fully qualified Tennis Canberra instructors and aimed at developing and improving fundamental tennis skills to take your game to the next level. Specialist coaching over 3 days with a variety of options, that accommodate age and skill level.

The sessions will run 9:00am–1:00pm

Cost \$375

Sculpture Art 3–5 October, Kindergarten and above

Working with the arts enriches to builds a child's creative and artistic experience. Working with sculptures, the children will have the opportunity to learn and understand the designing process of making a sculpture by taking an idea right through to the finished product to take home.

Sessions will run from 9:00–1:30pm

Cost \$375
