

CGS CARE HOLIDAY PROGRAMME

CGS Care is the out-of-school hours care programme at Canberra Grammar School. Managed by the School, CGS Care incorporates all before-school, after-school and holiday care programmes at the School's Campbell and Red Hill campuses from Pre-School to Year 6. Children beyond the CGS community are welcome to participate in each of the holiday programmes offered by the School.

Working in partnership with families, CGS Care educators engage children actively in learning by providing a combination of indoor and outdoor activities each day. Our children are viewed as being active participants within the care programme, with their input into decisions sought. It is our children's capacity to initiate and lead learning, and knowledge of their strengths and interests, that inform the breadth of learning opportunities on offer.

Through the CGS Care programme, our children strengthen their personal and social capabilities: their independence, initiative, confidence, resilience and adaptability flourish. The programme is a very social one and yet those children needing personal space and quiet opportunities for individual play are equally catered for.

What Should My Child Bring?

- Snack
- Packed lunch
- Broad Brimmed Hat; and
- Drink bottle (please note due to COVID-19 children cannot drink from drink fountains on campus).

Optional items to bring:

- Bicycle or scooter; and
- Helmet.

Please note that certain programmes that are operating off campus require additional permission. This permission can be given via completing the permission slip included at the end of this document. Please return to cgs care@cgs.act.edu.au or to Primary School Reception.
